OH MY GREENS!

**A LITTLE GREENER.
A LITTLE BETTER.**

ALL Accor members earn 100 Reward points when enjoying an Oh My Greens! dish this September.

Living better doesn't have to begin with a big change.
Sometimes, it starts with what's on your plate.

Inspired by **Novotel's Longevity Everyday philosophy**, our Oh My Greens! dishes celebrate plant-forward eating through vibrant flavours, thoughtful ingredients and choices that feel good today — and for the days ahead. Because a little more green today can be a little more good for tomorrow.
